

# **HOME OR SCHOOL IT'S YOUR CHOICE**

**For Children in the UK, education is compulsory. School is not.  
In more and more families children are learning at home.**

- ▶ You don't have to be a teacher
- ▶ You don't have to be wealthy
- ▶ You don't need special equipment
- ▶ You don't need to follow the National Curriculum

**What you do need is  
a genuine interest in promoting your child's learning.**
